ATTENTION

It describes the care of the service and the commitment to guarantee the safety of the goods entrusted. Arco Spedizioni is committed to paying attention to customers' needs and to taking care of every aspect of the service in order to guarantee the highest quality and integrity of the goods delivered.

RESPONSIBILITY

It ensures that activities are conducted in an ethical, safe and sustainable manner. Arco Spedizioni works to offer a punctual and reliable service, in full compliance with current regulations and sustainable, thanks to its constant commitment to reducing its environmental impact.

CORE

It represents humanity, passion and commitment that the company puts into its everyday work. This means enhancing human relations, both inside and outside the company, promoting long-term growth.

ORGANISATION

It means adopting an approach focused on process optimisation and planning, rationality and analytical capacity. Such an approach enables informed decision-making, successfully coping with changing market conditions and challenges.

OUR VALUES

Family Legacy

We carry on a long tradition in the transport industry and every shipment is handled with the care and attention that only a family-run business can offer.

Operational Excellence

We strive for operational excellence to ensure efficient, reliable and timely transport services, guaranteeing the integrity of shipments.

Customer Satisfaction

We place our customers at the centre of everything we do. We are committed to understanding needs, to providing customised solutions and to ensure that an operator always responds to requests.

Transparency

Transparency and honesty are the pillars on which we build lasting relationships with customers, employees, suppliers and the communities in which we operate.

Environmental Responsibility

Aware of the environmental impact of the transport sector, we are committed to improving and making our locations more efficient by adopting sustainable solutions that contribute to the preservation of environment.

Environmental Growth

We aim to contribute positively to the local communities in which we are present by promoting cultural projects, land promotion and sports activities.

SERVICES DESIGNED TO MEET THE CUSTOMER'S EVERY NEED

To G.D.O / D.O

Arco Spedizioni delivers efficiently and punctually G.D.O/D.O by booking delivery dates, within the timeframe indicated by the customer.

In addition to the coverage guaranteed by Law 286, Arco Spedizioni can take out insurance coverage at full value and against a whole range of high risks.

Insurance consulting

With bank and/or floor/ winery

For deliveries to floors, in centres, shops or unequipped areas to receive goods by truck, Arco Spedizioni has trained personnel and vehicles with hydraulic tail lifts and equipped to handle heavy or delicate packages.

Thanks to the computerisation of the process, the sender of a failed shipment is promptly notified via web or e-mail so that it can make new arrangements for the handling of the shipment.

Stocks

Customer service

A dedicated team provides information, solves any problems and advises the customer on how to handle particular shipments or to make new arrangements for handling the shipment.

The customer can check the status of shipments at any time directly on the website.

Online Tracking

In ports/airports

For shipments in ports and at sea, customs clearance is handled at the customer's request, and if necessary the "IMO Declaration".

At the customer's request, Arco Spedizioni delivers by appointment, giving advance notice by telephone and agreeing delivery directly with the consignee of the shipment.

With telephone booking

DELIVERY TIMES

We are aware that time can often be a decisive competitive factor.

Express

We undertake to dispatch in the shortest possible time, stating the delivery date in advance and ensuring delivery in set terms.

Same Day

We deliver the goods the same day with a dedicated vehicle. The goods therefore travel with absolute priority. We ensure the departure to the branch for the same evening of the pick-up.

Fix

We only deliver on the date specified by the customer.

Standard

In general, with the exception of inconvenient or rough locations, we are generally able to cover the entire national territory in 48 or max. 72 hours, depending on the shipment start and arrival points. Furthermore, at a European level we guarantee daily departures to the main destination terminals.

TRANSPORT OF DANGEROUS GOODS: WE WERE AMONG THE FIRST IN ITALY

Since 1997, the Dangerous Goods Distribution Division has been Arco Spedizioni's strong point.

Thanks to our experience and specialisation, we are among the leading national operators in this field.

Chemicals

Arco Spedizioni transports and delivers hazardous chemicals and chemical products of all hazard classes except for class 1 (explosives) except for goods classified 1.4S, class 6.2 (infectious materials) and class 7 (radioactive materials) with specially equipped vehicles. Operators in the transport chain are trained in the proper handling of chemicals and hazardous chemicals.

Strict controls

Every shipment is subjected to strict controls. The conformity of the withdrawn goods and the accompanying documentation is checked, ensuring that all stages of distribution are in line with current ADR regulations. Arco Spedizioni has dedicated a Regulatory Office for the management ADR products and their related chain.

Security and Training

Shipment security is guaranteed by the preparation and professionalism of the entire supply chain. For this reason Arco Spedizioni pays attention to staff training and organises both periodical refresher courses for its own resources and free courses for its Customers. Arco Spedizioni also actively collaborates with the specific category and representation Associations of chemical products Producers and Transporters.

GREEN LINE

Transport of Fragile and Valuable Goods

The GREEN LINE is the handling service specially designed for fragile and/or valuable goods

The products are placed on pallets packed with cellophane opaque that guarantee the unrecognisability of the load and sealed with customised adhesive tape to immediate recognition by Arco Spedizioni's employees.

The cargo, handled by specially trained and trusted personnel, is constantly monitored to ensure its immediate traceability.

Shipments are handled with specially designed security and handling criteria to ensure deliveries are free of shortages or breakages and to maintain product quality.

Possibility of handling overnight transports to destination locations with insulated crates. Loads well stowed by specially trained personnel.

Possibility of requesting advance notice by telephone to fix an appointment for delivery. Possibility of managing directly to the point of sale and/or cellar.
